

Solution Code

```
#include<iostream>
```

```
Using namespace std;
```

```
Int main()
```

```
{
```

```
    Int l,n,sum=0;
```

```
    Cout<<"\nHow many numbers u want :: ";
```

```
    Cin>>n;
```

```
    For(i=1;i<=n;++i)
```

```
    {
```

```
        Sum+=i;
```

```
    }
```

```
    Cout<<"\nSum of first [ "<<n<<" ] Numbers are = "<<sum<<"\n";
```

```
    Return 0;
```

```
}
```
